MECCA DANCE HALL FOR THE TOWN CENTRE?

The large hall controlled by Basildon Development Corporation in the church Commissioner's block being built in the Town Centre may be taken over by Mecca for dancing. Only the shell of the hall will be there, and whoever takes possession will do their own decoration.

The General Manager of the Corporation (Mr R.C.C. Boniface) said this week: "Whoever runs it will complete it".

The No 2 car park, costing £30,000, in the north-east corner, should be finished in three months. The Corporation have in mind, at a later stage, properly attended car parks where a small fee will be charged.

The extension of Broadmayne from Timberlog Lane down to Pitsea will be started early next year.

W. and C. French who will build Fryerns Community Centre and Library, have been given the "go ahead".
